

FIG Working Week 2024

19-24 May Accra, Ghana

Your World, Our World: Resilient Environment and Sustainable Resource Management for All

Mr. Adama Sarr,
Mayor, Senegal
(recently FIG Young Surveyor)

Bio: I have graduated at 2013 as an Engineer land surveyor. Since 2014 I am working in the senegalese national office of cadastre. I have been a head of office of cadastre since 2017 in different eras in Senegal. I joined FIG in 2012 in Ghana during the African task force meeting. I have also another Master in peace, security and defense and doing too My Phd in Geomatics at Laval University in Canada.

Politically I am elected Mayor of Keur Massar Nord a city with around 300 000 people in Dakar the capital of Senegal.

I am also active member of MBBI (mediators beyond borders international since 2015) where I have already participated in many mediation activities.

As a young surveyor I was GLTN ambassador during the FIG working week in Nigeria in 2013 and was the only francophone. I was too VCSP volunteer in DRC the republic democracy of Congo before to be the President of Francophone YS of the FIG.

I have all participated in many GLTN events around the world particularly in French speaking countries.
