# FIG WORKING WEEK 2019

22–26 April, Hanoi, Vietnam

"Geospatial Information for a Smarter Life and Environmental Resilience"

## Did you know that...

- 650 million people still live in poverty
- If women farmers have the same access to resources as men, the number of hungry people can be reduced up to 150 million
- 70% of the SDG's are related to geo – information
