Dear Louise

Re: RICS letter of nomination for Diane Dumashie FRICS as FIG president 2022-26

We would like to take this opportunity to confirm the RICS nomination of Diane Dumashie FRICS for the position of FIG president 2022-26. RICS believes that Diane will bring a wealth of experience and positive energy to this important global role.

As already exhibited in her extensive professional involvement with both RICS and FIG and evident from her multiple achievements and roles within this document, Diane is perfectly placed to bring together the global surveying profession during this critical time as we emerge from the pandemic and tackle important global issues such as climate change, sustainability, diversity/inclusion, and social justice/public interest issues.

RICS has no hesitation in fully supporting Diane's nomination and we believe this can only strengthen the existing strong historic bonds between RICS and FIG (and its members associations).

Yours sincerely

Richard Collins
Interim CEO, RICS
