

Collaboration, Innovation and Resilience: Championing a Digital Generation

Brisbane, Australia 6–10 April

FIG Young Surveyors Network Report 2024-2025

Shirley Tendai Chapunza
Chair, FIG YSN

PLATINUM SPONSORS

FIG Young Surveyors Network

Who are we?

- A vibrant group of students and young professionals from around the world.
- Originally established in 2006, to encourage more young professionals to participate within FIG.

What do we do?

- Ensure the future of the surveying profession
- Promote the work of FIG and the 10 FIG Commissions.
- Organize events around the world within our Regional Networks.
- Collaborate with other likeminded industries and professions.

FIG YSN Regional Networks

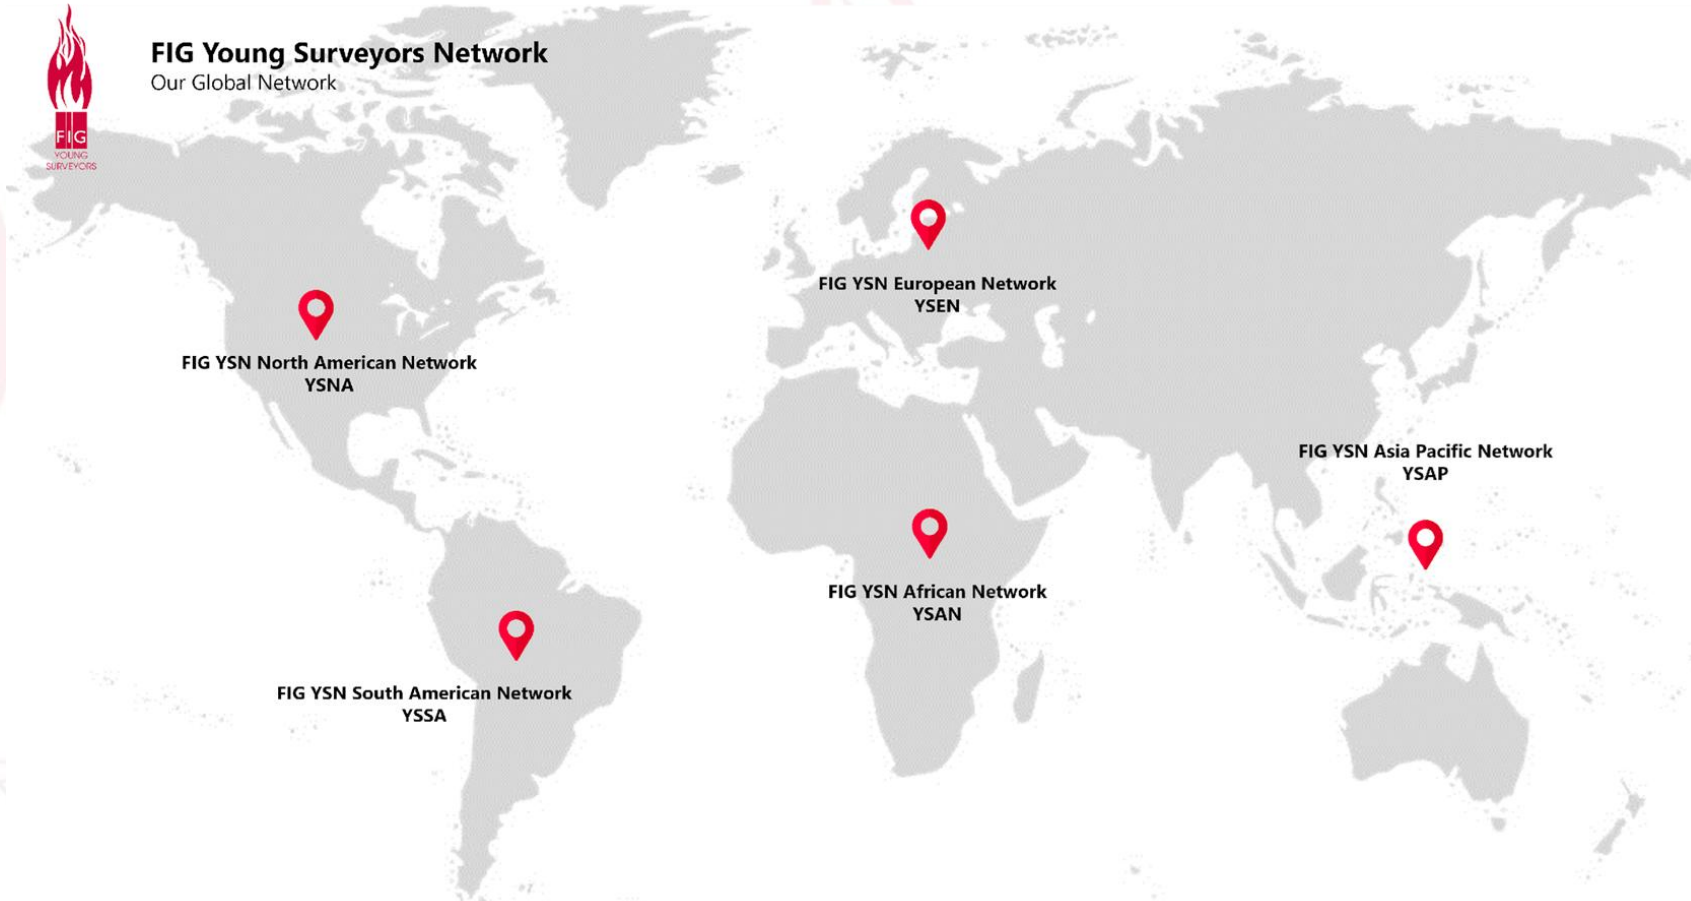

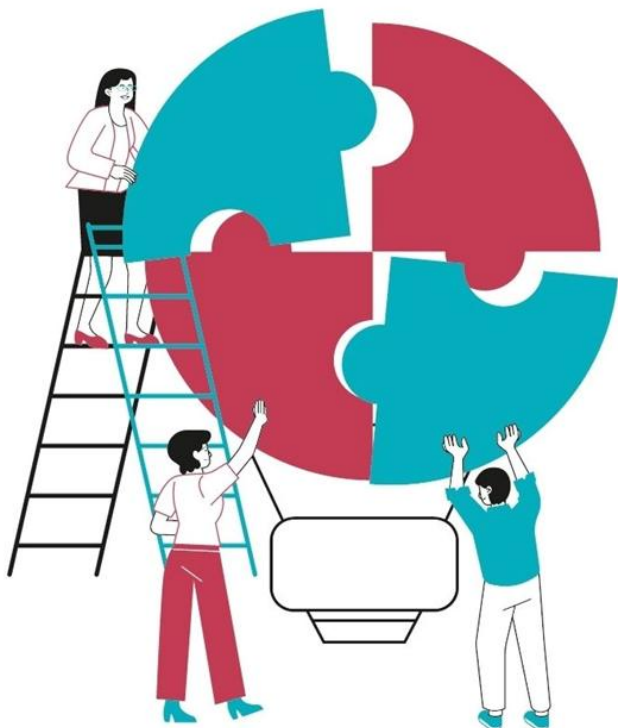

FIG YSN Initiatives

- To achieve our vision, the network continued with it's 5 key initiatives.
- Each have a purpose and an outcome, achieved through one or more projects at both a regional and global level.

Partnerships

- Through partnerships, FIGYSN managed to
 - organize events,
 - implement development and outreach programs,
 - promote equality, the exchange of information
 - Address global challenges.
- This was achieved through partnerships with
 - FIG Foundation
 - FIG Commissions
 - Regional Capacity Development Networks
 - Member Associations
 - NGO's
 - Corporate Business
 - Academic Institutions

FIG Foundation and FIG Commissions

THE FIG FOUNDATION
*Celebrating 20 years
of Building a Sustainable Future
2001 - 2021*

Supported 4 FIG YSN Events

- 2 Global events
- 2 Regional Meetings

Development Programs

- Continues to support the FIG Mentoring Program

FIG Commissions

- **Working Group 2.3** – Young Surveyors in Education - Learning Styles in Surveying Education(9th YSC Charity Event)
- Joint working Group with Commission 2: Professional Education and FIG YSN
- **Working Group 6.3** – Application of Immersive Technologies in Engineering Geodesy
Joint working Group with Commission 6: Engineering Surveys and FIG YSN
- **Working Group 8.3** - Spatial Planning Instruments and Climate Change
- Multiple joint sessions on the FIG WW 2025 program

Development with FIG Regional CDNs and Member Associations

- The Regional CDNs has joined the network in engaging young surveyors to “Invest in Themselves” and provide resources to help with professional development.
- Joint technical session with AP CDN on capacity and capability development
- AP CDN support for young surveyors to attend the WW.
- Together with the Member Associations and CDN’s, the network managed to implement development programs across 3 regions
 - FIG Mentoring Program for Africa(continuing for the 4th year)
 - 2024 introduced group mentoring
 - 79 mentors to 158 mentees
 - Need to reach into North and Central Africa
 - FIG Mentoring Program-NSPS(starting this year)
 - Mentoring Program-GCA(continuing)
