

Georientiamoci – Advisory and Guide for the New C.A.T. School System

Luca Dal Buono, Cromwell Manaloto, Alessandro Dalmasso, Daniele Brancato and Gamberini Lia (Italy)

Key words: Curricula; Geoinformation/GI; Professional practice; Young surveyor

SUMMARY

This paper will focus on the operations designed and carried out by CNG and Fondazione Geometri Italiani to address the current trend of decreasing enrollment in surveying school programs. Through the results obtained, the authors will aim to illustrate data analysis, mapping of laboratories within the national territory, and the project's impact in the numbers of enrollees achieved.
